**Project** [www.horeca-tdhi.com](http://www.horeca-tdhi.com)

This project was created to gather all the know-how of the DH Group in the HORECA sector.

The project is managed by the TDHI HO.RE.CA Division of the TDHI Group. The Division between 01 01 2022 and 31 12 2023 will choose the best hotels, restaurants, cafes, cocktail bars, discos, etc. and give them free space on our website. In addition to free space, promotional and web marketing activities, will support HO.RE.CA. activities that the TDHI Group will have chosen.

But the primary objective of our project is to bring turnover to the project members (companies that produce furniture, equipment and supplies for the HO.RE.CA sector) with the lowest possible development and management cost.
