

TDHI Air

helicopters, planes, airports, space

We are the division of the TDHI Group, www.tdhi-group.com that deals with everything that flies and everything that supports flight and concerns the air.

Do you want to design and build an airport? We will find you the location, we will get you the licenses, we will carry out the preliminary project then the executive one, we will build it and give it to you. You have a single interlocutor and we take care of everything.

Do you want to sell an ultralight or a new helicopter on the market? We take care of marketing, investment memorandum, application and sell the planes or helicopters around the world for you.

Do you want a leased plane or do you want to buy it? We find you the best solution in the world.

Looking for spare parts for your plane, helicopter or fleet? Write us in detail what you need and we will get back to you.

Do you need to renew the furnishings and technical equipment of a small or large airport OR A LOUNGE?

We design, produce the furniture, install it and, if you want, we also organize the opening event. If necessary, we also do the research and training of personnel, pilots and any necessary professional figure.

Do you produce clothing, or do you have ideas for a line inspired by flight or air? We can turn your idea into a success. Or we can create it for your fashion company.

We operate all over the world because the TDHI Group www.tdhi-group.com is part of the DH GROUP. www.dhgroup-international.com

■

As always, our advice is to write to us, to present your company or to write us what your goals or desires are. The TDHI HUB Division will make a first analysis, and will send it to our General Manager Dr Magri and to you in copy.
